

Increases to Import Entry Fees from 1 August 2013

On Thursday 1 August 2013, the fees applicable to the industry share of cost recovery for the Joint Border Management System (JBMS) will be implemented. The table below shows the fees increase applicable to your vehicle imports.

Note this new rate will apply to all transactions whether using the new or existing messages from 1 August 2013. The Import Entry Transaction Fee will not increase until the new Inward Cargo Report functionality is available in a later phase of the JBMS implementation.

Fee	Including GST at 15 percent	
	Current Rate	New Rate from 1 August 2013
Total for import entries	38.07	46.89
